

*AMENDMENTS TO THE DRAWINGS*

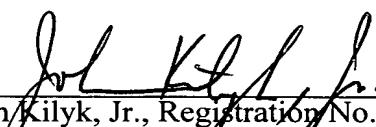

The attached sheet includes changes to Fig. 6. This sheet, which includes corrected Fig. 6, replaces the original sheet including Fig. 6. The only change to Fig. 6 is to provide the English language words “ $\beta$  sheet” and “ $\alpha$  helix” for the corresponding Japanese text that appears at the bottom of Fig. 6 as originally submitted with the patent application.

Attachment: Replacement Sheet

*REMARKS/ARGUMENTS*

The Examiner is requested to approve the accompanying replacement drawings (Figure 6). As originally submitted, Figure 6 mistakenly retained some of the original Japanese words. The revised Figure 6 contains the appropriate English translations. Accordingly, the corrected Figure 6 contains no new matter. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
